

THE BEDFORD GARDEN CLUB
EXECUTIVE COMMITTEE MINUTES
Wednesday, October 8, 2008
At the home of Virginia Maybank

Present: Ellen Conrad, Wendy Cushman, Liza Clymer, Virginia Maybank, Lindsay Matthews, Kim Morris, Varner Redmon, Leslie Wortman.

Discussion of the November Fundraiser: invitations, raffle, auction, parking, food, ticket price, etc were discussed.

Call to order: Ellen Conrad called the meeting to order.

Recording Secretary's Report: A motion to waive the reading of the minutes was made, seconded, and passed.

Treasurer's Report: Virginia Maybank circulated the Treasurer's Report. It included the bank transactions and the totals for both restricted accounts and operating funds. There was discussion of the format of the Treasurer's report.

Greensday: The Holiday Boutique Committee held a meeting on October 7. The theme will be 'homey,' and the committee will ask members to make cookies, fudge, etc. Exhibitions will have plain green wreaths available to purchase; Leslie Wortmann asked Wendy Cushman to ask the speaker to bring additional succulent wreaths to sell.

Project Review: Lindsay Matthews stated that rather than forming a separate committee for Project Review, she would prefer to gather ideas from the general membership and present them to the executive committee. The committee approved this approach.

Environmental Summit: Ellen Conrad and Kim Morris gave an update of the progress of the planning for the Summit. It is 'moving forward' very rapidly.

Photography In-House Show: It was decided that the photography show scheduled for October 15 would be postponed.

There being no further business, the meeting was adjourned.

Respectfully submitted,
Varner Redmon.
